

With its seductive lines, Musa is an invitation to surround yourself with beauty. This sofa shapes the soul of the home, transforming any room into a signature living space. It offers a subtle invitation to the *dolce far niente*: that precious, authentic art of sweet idleness we too often forget.

The backrest and armrests merge seamlessly into a single, continuous shell, elegantly defined by vertical quilting. This soft geometry enhances the sofa's silhouette, giving it a magnetic presence from every possible angle.

Musa does not follow the rules of your space: it inspires them.
