

Drink transforms any space into a private contemporary lounge, where comfort and design express themselves with unapologetic irony and a touch of pure glamour.

Compact yet full of character, its solid wood and plywood frame is padded with shape retaining polyurethane foam in differentiated densities and lined with polyester fibre and velveteen, giving Drink its bold, sculptural proportions.

Available in fabric or leather, Drink invites you to take a break from the frantic pace of life, turning every leisure moment into an occasion for a toast and lighthearted conversation.
