

Colorful, round, and irresistible, Lulù enters the space like a little design temptation: a pouf with essential proportions that recalls the soft perfection of a macaron.

The solid wood and plywood frame is covered in shape-retaining polyurethane foam at differentiated densities and lined with polyester fiber, ensuring both comfort and durability.

Available in fabric or leather, Lulù is a delightful little pastry of design that adds character and just the right touch of sweetness to any space.

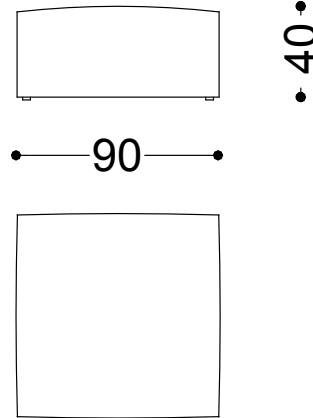

Pouf 19.7"x19.7"
