

Bloom blossoms in your living room: a modular sofa with a bold, generous design.

Characterised by full, generous volumes and a low-slung profile, the real strength of this piece lies beneath the surface: a sophisticated integrated mechanism allows the backrest to recline smoothly. This is how Bloom 'blossoms', adapting naturally to the posture of whoever is sitting on it and offering dynamic, bespoke support for every moment of the day.

Bloom is a contemporary design where aesthetics and comfort flourish in your living room.
