

Invece is versatile and distinctly pop. A transversal piece that shifts function depending on how it's used: a table? Invece can just as easily become a pouf. Indoors? Invece transitions effortlessly outdoors as well.

Available in various shapes and proportions, it integrates into spaces with ease, standing beautifully on its own or in a composition. This unexpected touch of style takes shape in moulded rigid polyurethane foam, offered with a glossy RAL lacquer for indoor settings or a durable matte finish for outdoor use.

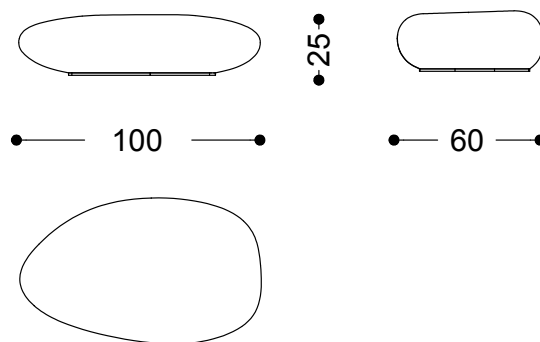

Small pouf

50x57x40 cm - 19.7x22.4x15.7 in

Low pouf

100x60x25 cm - 39.4x23.6x9.8 in
