

The wooden frame features an elastic webbing seat suspension system and is entirely covered in shape-retaining polyurethane foam at differentiated densities, lined with polyester fiber. It rests elegantly on steel feet with a matte satin chrome finish.

The seat cushion features a shape-retaining polyurethane foam insert covered in piumafill. The backrest cushion is luxuriously padded with virgin goose down, enhanced by a shape-retaining polyurethane foam roll that provides optimal back support.

Carta Bianca can be upholstered in fabric or leather.

Cartabianca is also available with a reduced depth of 5, 10 or 15 centimeters, with the exception of the poufs.
