

Stella features a sturdy metal frame with elastic webbing, fully upholstered in polyurethane and polyester fiber, and rests on its distinctive wooden feet. The seat cushion is generously padded with virgin goose down, supported by a shape-retaining, differentiated-density polyurethane foam insert. Both the backrest and armrest cushions are filled with soft piumafill and feature a crushproof polyurethane core to ensure they keep their form beautifully over time.

Stella is available both in fabric or leather.

Stella is also available with a reduced depth of 5, 10 or 15 centimeters, with the exception of the poufs.
