

The seat is constructed with a solid wood and plywood structure featuring an elastic webbing suspension system, upholstered in non-deformable polyurethane foam of varying densities and covered in thermally bonded fiber.

The backrest features a steel core, covered in non-deformable polyurethane foam and upholstered in polyester fiber bonded with velveteen. The back cushions are made of Piumafill, with a 100% white herringbone cotton inner lining.

Conversation is available in both fabric and leather upholstery.
