

La struttura è realizzata in legno massello e multistrato con molleggio della seduta a cinghie elastiche, interamente ricoperta in poliuretano espanso indeformabile a densità differenziate e rivestita in fibra poliestere. La trapuntatura con inserti in grosgrain, tono su tono o a contrasto, dona ritmo e carattere. Il sedile è imbottito con poliuretano espanso indeformabile e ricoperto in piuma d'oca vergine. Anche il cuscino dello schienale e il cuscino a rullo del bracciolo sono realizzati in piuma d'oca vergine. Il design è completato da eleganti piedi in acciaio con finitura cromo lucido.

Get Back è realizzabile con rivestimento in tessuto o pelle.
