

Questa preziosa Alchimia di elementi prende vita da una solida struttura in legno massello e multistrato, dotata di molleggio a cinghie elastiche e interamente ricoperta in poliuretano espanso per garantire un'accoglienza assoluta. L'equilibrio delle proporzioni è esaltato dai piedi in acciaio, disponibili in diverse finiture.

L'anima sartoriale del progetto si svela nel sedile trapuntato in poliuretano espanso indeformabile rivestito in fibra di poliestere e vellutino, mentre il cuscino dello schienale è imbottito in piuma d'oca.

Alchimia è disponibile nella versione lineare o tonda ed è realizzabile in tessuto o pelle.
